Williams County Measure No. 2014-01

Should the current emergency services communication (9-1-1) fee not to exceed $1.00 per month per "communication connection" (telephone access line, wireless access line, unique voice over internet protocol service connection, or functional equivalent uniquely identifiable by a number, internet address, or other designation) for the operation and maintenance of the 9-1-1 emergency services communications system be increased to a maximum (not to exceed) $1.50 per month?
 Voter approval would allow a fee, not to exceed $1.50 per month per "communication connection" to become effective September 1, 2014, with the revenue dedicated to maintaining and operating the emergency services communication (9-1-1) system as required by State law.

○ **YES** - Means you approve the proposed increase of the fee to $1.50 per month.

○ **NO** - Means you do not approve the fee increase and it would remain at $1.00 per month.
